About SomExpert Installations

Who We Are

SomExpert Installations is a fully licensed and dynamic company specializing in electrical and plumbing services. Founded on principles of reliability, technical precision, and customer care, we've built a reputation as a trusted partner in construction and maintenance sectors.

What We Do

Whether it's powering up a new building or installing vital plumbing infrastructure, we bring the same level of care, professionalism, and attention to detail. From residential units to commercial buildings, we ensure all systems meet modern safety standards and operational efficiency.

Our Mission & Vision

Our Mission

To deliver safe, innovative, and dependable installation services that exceed customer expectations while upholding the highest levels of integrity, professionalism, and technical excellence.

Our Vision

To become the most recognized and preferred electrical and plumbing installation company in Somalia and the East African region — known for superior workmanship, fast delivery, and uncompromising safety.

Our History

SomExpert Installations was established to fill a growing need for reliable, high-quality building installation services in Somalia. Since inception, we have worked on numerous projects across residential, commercial, and industrial sectors.

O äC³/äp Va« pì

Pä³/pì ì ³/äp³

We maintain the highest standards in everything we do, from customer interactions to technical execution.

C ì ø³ä päC³Ä ³ ø pμø

We put our clients at the center of our service, ensuring their needs and expectations are not just met but exceeded.
